Current and Recent Employment

April 2017- Present

Vice President, Social and Behavioral Science Research, Population Council, New York, NY

Oversee all social and behavioral science research, including three program areas: reproductive health, HIV/AIDS, and poverty, gender and youth in 17 offices worldwide. Monitor progress on strategic research priorities. Collaborate with other executive team members on setting organizational direction. Represent the Council externally and lead fundraising efforts. Oversee the Council's publishing unit, including two scholarly journals.

November 2011–March 2017

Vice President and Director, Poverty, Gender and Youth (PGY) Program, Population Council, New York, NY

Directed priority setting, program development, fundraising, staff recruitment, and representing the Council to governments, donor agencies and professional organizations for the \$15 million PGY program. Provide guidance to staff members in program implementation, monitoring of activities, and synthesis of findings. Member of the senior management team, participate in decision making about Council-wide issues and activities. Seek funding for, conduct, and publish own research.

March 2009 – October 2011

Director, Maternal Health Task Force, EngenderHealth, New York, NY

Directed an \$11 million 3-year project funded by the Bill & Melinda Gates Foundation which aimed to shape collective efforts to improve maternal health worldwide. Supervised a staff of 7 professionals. Oversaw the awarding and monitoring of 25+ subgrants and contracts, 3 MacArthur Foundation grants, a comprehensive knowledge management system, convening of technical meetings including a large conference in Dehli in 2010, a maternal health internship program, and various knowledge sharing mechanisms.

October 2005 – February 2009

Program Officer, Population and Reproductive Health Program, The John D. and Catherine T. MacArthur Foundation, Chicago, IL

Identified prospective grantees, evaluated proposals, prepared grant recommendations, and managed a \$4.0 million international portfolio focused on population and reproductive health (PRH) in developing countries with special responsibility for research grants. Collaborated with country-level program staff in India, Nigeria, and Mexico on PRH grants in those countries. Assisted program director in developing and implementing long-term grantmaking strategies. Member of foundation-wide Technology Grants Committee. Served as Acting Director (August 2008).

March 1999 – October 2011

President, Blancroft Research International, LLC

The company provided technical support for demographic and health research with a focus on developing countries. This support included: monitoring and evaluation of programs, behavioral research, statistical analysis, survey design and implementation and reporting of survey results and training in these areas. Substantive areas of expertise: Family planning and reproductive health, maternal and child health, HIV/AIDS, and women's empowerment. Clients included international, bilateral, and non-governmental organizations.

Previous Employment

1997- 1999. Principal Investigator and Senior Evaluation Analyst, MEASURE/*Evaluation* Project, Macro International Inc., Calverton, MD

1992-1997. Coordinator for Demographic Analysis, Demographic and Health Surveys Program, Macro International Inc., Calverton, MD

1989-1992. Demographic Expert, Demographic and Health Surveys Program, IRD/Macro International Inc., Columbia, MD

1986-1989. Country Monitor, Demographic and Health Surveys Program, Institute for Resource Development, Columbia, MD

1985-1986. National Institutes of Health Postdoctoral Fellow, Department of Sociology, Yale University, New Haven, CT

1984. Assistant Population Affairs Officer, Fertility and Family Planning Studies Section, Population Division, United Nations, New York, NY

Education

Ph.D., Sociology (Demography), 1985, Princeton University, Princeton, NJ

M.A., Sociology, 1983, Princeton University, Princeton, NJ

B.A., Sociology, magna cum laude, 1980, Fairfield University, Fairfield, CT

Selected Professional Activities

- Member, Committee on Population, National Academy of Sciences
- Member, Editorial Committee, 2009-present, *Studies in Family Planning*
- Member, 2009-present, Improving Coverage Measurement Core Group, Johns Hopkins U.
- Senior Advisor, 2012-2015, Maternal Health Task Force at Harvard School of Public Health
- Member, 2011-2013, International Federation of OB/GYNs, LOGIC project technical advisory group
- Blogger, 2010-2011, GlobalMama on Medscape.com
- Member, 2007-2010, Board of Directors, Population Association of America
- Chair, 1999-2005, International Outreach Committee, Population Association of America.
- Member, 1999-2001, Robert J. Lapham Award Committee. Population Association of America.

International Work Experience

Eritrea, Ethiopia, Ghana, Kenya, Uganda, Zimbabwe, India, Indonesia, Nepal, Nigeria, Colombia, Dominican Republic, Guatemala, Ecuador, Mexico, Trinidad and Tobago, Turkey, Lebanon
