2011 POPULATION COUNCIL PUBLICATIONS

The Population Council publishes two scholarly, peer-reviewed journals, Population and Development Review and Studies in Family Planning. Staff members also publish their work in a wide range of external outlets, including other peer-reviewed journals. The Council’s Web site—www.popcouncil.org—contains selected publications in HTML and PDF formats and lists hundreds of articles and other publications by staff members. The following list of publications is organized by research area. Authors whose names appear in boldface are Council staff members, consultants, fellows, or colleagues seconded from partner organizations.
